

Our Breastfeeding Friendly policy

This venue welcomes babies to be breastfed in any public area of these premises.

How we will make this happen

All our staff will support the needs and rights of mothers breastfeeding. If another customer or visitor to our premises objects to breastfeeding, they should be told that management supports breastfeeding. If the situation cannot be resolved readily, junior staff should refer customers/visitors to senior management.

To demonstrate that we are Breastfeeding Friendly, our staff will:

- make mothers and babies welcome

Why we are Breastfeeding Friendly

- We support the needs of our customers, visitors or clients and work to ensure we are family friendly.
- Babies have small stomachs so need feeding when they ask for it. Breastmilk is full of nutrients and is digested very quickly.
- Breastfeeding works best when mother and baby are both relaxed.
- Hungry, upset babies will generally be helped to calm down and become quiet when breastfeeding. This is good for all our customers, visitors or clients.
